These purposes may change in the future as a result of legislative change. As trustee of your superannuation fund we may disclose your TFN to another superannuation provider, when your benefits are being transferred, unless you advise us in writing that your TFN should not be disclosed to any other superannuation provider.

It's not an offence not to quote your TFN. However, giving your TFN to us will have the following advantages (which may not otherwise apply).

- > Your superannuation fund will be able to accept all types of contributions to your account(s).
- > The tax on contributions to your superannuation account/s won't increase as a result of no TFN contributions tax.
- > Other than the tax that may ordinarily apply, no additional tax will be deducted when you start drawing down your superannuation benefits.
- > It will make it much easier to trace different superannuation accounts in your name so you receive all your superannuation benefits when you retire.
