## Maple-Brown Abbott becomes Responsible Entity for three single manager funds

Following a unitholder vote on an Extraordinary Resolution, Maple-Brown Abbott (MBA) has been appointed as the new Responsible Entity for three Funds, replacing Advance Asset Management Limited.

The funds impacted are the Maple-Brown Abbott Imputation Fund, Maple-Brown Abbott Australian Geared Equity Fund and the Maple-Brown Abbott Sharemarket Fund.

A Responsible Entity ensures a Fund complies with its constitution and legislation. The responsibility also includes establishing, implementing and monitoring a Fund's investment objective and strategy.

It's important to note that nothing will change in relation to how investors' money is invested. MBA will continue to be the investment manager of the Fund, as it has been since their inception, providing a consistent and long-term track record for over 25 years.
